ISSUE STATEMENT

This is an action item to appoint a new member and reappoint four current members to the Lane Workforce Partnership Board of Directors.

BACKGROUND

Interim appointments are made, when needed, to various boards, committees, and commissions outside the regular annual recruitment process. Based upon a recommendation from the Eugene Area Chamber of Commerce, the Mayor nominates, and the City Council appoints, representatives to the Lane Workforce Partnership Board of Directors. This intergovernmental body directs the operations of local employment and training programs funded under the federal Job Training Partnership Act. It is a private nonprofit organization dedicated to providing job training and stay-in-school services to low-income residents and dislocated workers throughout Lane County. Federal regulations require that the City of Eugene seek nominations from a general purpose business organization. Residency within the Eugene city limits is not required for consideration for appointment.

The by-laws of the organization call for a board of up to 15 members composed of persons representing a number of stakeholders in local work force issues.
