www.eugene-or.gov

Agenda Item Number: 1
 Staff Contact: Kris Bloch
 Contact Telephone Number: 541-682-8497

ISSUE STATEMENT

The Pledge of Allegiance will be recited in observance of Veterans Day.

BACKGROUND

The City Council voted at its June 27, 2011, work session to begin formal council meetings with a voluntary recitation of the Pledge of Allegiance to the Flag at those meetings closest to the following holidays: Memorial Day, Veterans Day, Flag Day, and the Fourth of July. In addition, the council voted to begin a practice of reading from the Declaration of Independence and/or the Constitution of the United States at the beginning of its meeting closest to the Fourth of July.

According to the United States Code, Title 4 (U.S. Flag Code), the Pledge "...should be rendered by standing at attention and facing the flag with the right hand over the heart. When not in uniform, men should remove any non-religious headwear with their right hand and hold it at the left shoulder, the hand being over the heart. Persons in uniform should remain silent, face the flag, and render the military salute."

The Pledge is as follows: *"I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one Nation under God, indivisible, with liberty and justice for all."*

A WORK SESSION: Urban Farming and Food Security

Sustainability Liaison Babe O’Sullivan provided an overview of urban farming including information about policies, practices, goals, barriers and conditions that may present challenges to a sustainable urban food system.

Council Discussion/Suggestions/Questions:

- Highlight food security issues at upcoming economic summit.

- Coordinate implementation efforts with existing food security initiatives.
- Support school districts efforts to grow food on-site at schools for use by students.
- Envision Eugene goals conflict with economic development goals.
- Community gardens are popular, program expansion would help food security efforts.
- What policies or codes changes would be needed to change in order to better support urban farming?
- Use vacant City-owned land for temporary public gardens.
- As Envision Eugene develops we will closely examine competing goals of compact urban growth, use of public spaces, sustainable food securities and urban farming.
- Explore concept of “edible parks;” parks with fruit and nut trees.
- Consider expansion of the Farmer’s Market.

2. CONSENT CALENDAR

MOTION and VOTE: Councilor Poling, seconded by Councilor Pryor, moved to approve the items on the Consent Calendar. **PASSED 8:0.**

3. ACTION: Ordinance Removing Substance and Updating Tracking Instructions for Toxics Program

MOTION and VOTE: Councilor Poling, seconded by Councilor Pryor, moved to adopt Council Bill 5100, an ordinance amending the Hazardous Substance Tracking Instructions for reports due beginning April 1, 2014, and removing a hazardous substance from the List of Reportable Chemicals. **PASSED 8:0.**

4. ACTION: Homeless Rest Stop Site Recommendation

City Manager Jon Ruiz introduced this item, noting the staff recommendation to approve two sites, the second site to be opened after the proven success of the first. The two sites identified are Northwest Expressway at Chambers and the Roosevelt site.

Council Discussion:

- Identifying two rest stop locations is a good start.
- City's liability risk is very low.
- Low-income housing dispersal program model should be applied to the placement of these camps so that they are located in various parts of town
- Camps clustered in northwest Eugene is not a good idea; far from downtown, away from the dining room and other services.
- Flooding concerns about the NW Expressway at Chambers site. What can be done to mitigate the flooding there?
- Encourage use of privacy fencing to address concerns about visual blight.
- Important to coordinate efforts with Lane County and Health and Human Services.
- Goal to establish a permanent shelter; rest stops are a temporary measure.
- May consider requiring camp coordinator to obtain liability insurance.

MOTION: Councilor Poling, seconded by Councilor Pryor, moved to approve the Northwest Expressway Chambers site and the Roosevelt Garfield site as recommended by the City Manager.

MOTION TO AMEND and VOTE: Councilor Brown, seconded by Councilor Syrett, moved to amend the motion with the following addendum: If, in fact, the Northwest Expressway and Chambers site proves unsuitable due to bad drainage concerns during high water events, then the Broadway and Hilyard site would be substituted as the second site. **FAILED: 2:6,** Councilors Brown and Syrett in favor.

VOTE on MAIN MOTION: PASSED 6:2, Councilors Poling and Clark opposed.

5. WORK SESSION: Fence Regulations

Permit Review Manager Mike McKerrow presented a PowerPoint on Eugene's current fence regulations, noting issues about fence height related to visibility, esthetics, functionality, deer fencing, urban gardens and overall safety.

There was sufficient interest expressed by council to begin the process to consider a code change that would allow higher, see-through fencing on front and side yards to protect gardens and vegetation from deer.

The meeting adjourned at 9:45 p.m.

Respectfully submitted,

Michelle Mortensen
Deputy City Recorder

Mayor Piercy opened the October 30, 2013, City Council work session.

A. WORK SESSION: Envision Eugene Implementation: Single-Family Code Amendments (City File CA 13-3)

Senior Planner Alissa Hansen introduced the topic, reviewing Envision Eugene goals, the code amendments, public engagement process, and project timeline.

The council requested more detailed information about the Planning Commission votes on the package of amendments.

Council Discussion/ Questions/Concerns

- The council discussed the merits of including a sunset date with the proposed code amendments.
- In response to concerns that only three neighborhoods were identified for temporary code changes, staff clarified that the intent of the proposed amendments is to promote more owner-occupied houses.
- A request was made to pull the alley access lot provisions from this package of code amendments.
- Concerns were expressed that the approval criteria are too vague; a request was made to define these in greater detail.

B. WORK SESSION: An Ordinance Amending the Eugene-Springfield Metropolitan Area General Plan Text, Chapter IV; Adopting a Severability Clause; and Providing an Effective Date (City of Eugene File MA 13-3)

Interim Planning Director Carolyn Burke and Senior Planner Alissa Hansen introduced the topic, reminding council the proposed amendments would only impact Chapter 4 of the Metro Plan as required by HB 3337.

The amendments specifically address the decision-making changes that will need to take place by Eugene and Springfield as separate cities, making separate decisions about growth within their boundaries.

Council Discussion/Concerns/Issues:

- It will be challenging to identify Eugene's urban growth and City limits boundaries.
- The removal regional impact elements and decision-making authority is a big concern.
- It is important to include some form of conflict resolution in the new system.

The meeting adjourned at 1:30 p.m.

Respectfully submitted,

Michelle Mortensen
Deputy City Recorder
