B. WORK SESSION: Rental Unit Management and Livability

Planning Director Sarah Medary and Code Compliance Supervisor Rachelle Nicholas gave a PowerPoint presentation on the background, history, statistics and future planning efforts on rental unit management and livability.

Council discussion:

- More work is needed to clarify the role and jurisdiction of the University of Oregon Police Department.
- Further research on the practicality of requiring a local agent and implementing a chronic nuisance code is needed.
- Majority of complaints are associated with smaller units; social host ordinance works because of its accountability measure.
