

RESOLUTION NO. _____

A RESOLUTION AUTHORIZING THE ISSUANCE AND SALE OF WATER UTILITY SYSTEM REVENUE BONDS FOR THE PURPOSE OF FINANCING IMPROVEMENTS TO THE WATER UTILITY SYSTEM IN THE AGGREGATE PRINCIPAL AMOUNT NOT TO EXCEED \$18,000,000 AND THE ISSUANCE AND SALE OF WATER UTILITY REVENUE REFUNDING BONDS IN THE AGGREGATE PRINCIPAL AMOUNT NOT TO EXCEED \$35,000,000 TO REFUND ALL OR A PORTION OF THE SERIES 2002 BONDS, SERIES 2005 BONDS AND SERIES 2008 BONDS; AND PROVIDING FOR RELATED MATTERS

The City Council of the City of Eugene finds that:

- A. Oregon Revised Statutes (“ORS”) Section 287A.150, authorizes the City of Eugene (the “City”) to issue revenue bonds payable from identified revenues of the City. The City, acting by and through the Eugene Water & Electric Board (“EWEB”), owns and operates a water utility system and related facilities and systems.
- B. On September 2, 1997, EWEB adopted a resolution authorizing and providing for the issuance, from time to time, of City of Eugene, Oregon Water Utility System Revenue Bonds to be equally and ratably secured by the pledge of revenues, funds and accounts thereunder (as amended and supplemented, the “Bond Resolution”).
- C. The Bond Resolution provides in part that the principal of, premium, if any, and interest on the bonds issued thereunder shall not be payable from any funds of the City nor constitute a general obligation of the City or create a charge upon the tax revenues or any other property or revenues of the City.
- D. EWEB has requested by resolution that the City Council adopt this Resolution in part to set the terms for the issuance of not to exceed \$18,000,000 in aggregate principal amount of water utility system revenue bonds (the “New Money Bonds”) for the purpose of financing the acquisition, design, construction, installation and equipping of certain capital improvements to the water utility purification, storage, transmission and distribution systems (collectively, the “New Money Project”), to fund necessary reserves and capitalized interest, and to pay the costs of issuance of Bonds.
- E. The City, acting by and through EWEB, previously issued its Water Utility System Revenue Bonds, Series 2002 in original principal amount of \$10,000,000 (the “Series 2002 Bonds”);
- F. The outstanding Series 2002 Bonds maturing on and after August 1, 2013, are subject to redemption at the option of EWEB on and after August 1, 2012;
- G. The City, acting by and through EWEB, previously issued its Water Utility System Revenue Bonds, Series 2005 in original principal amount of \$12,540,000 (the “Series 2005 Bonds”);

- H. The outstanding Series 2005 Bonds maturing on and after August 1, 2016, are subject to redemption at the option of EWEB on and after August 1, 2015;
- I. The City, acting by and through EWEB, previously issued its Water Utility System Revenue Bonds, Series 2008 in original principal amount of \$15,595,000 (the “Series 2008 Bonds”);
- J. The outstanding Series 2008 Bonds maturing on and after August 1, 2019, are subject to redemption at the option of EWEB on and after August 1, 2018;
- K. EWEB has determined that present value savings may be achieved by issuing refunding bonds for the purpose of refunding all or a portion of (i) the outstanding Series 2002 Bonds which may be called and redeemed on any date on or after August 1, 2012, without premium, (ii) the outstanding Series 2005 Bonds which may be called and redeemed on any date on or after August 1, 2015, without premium, and (iii) the outstanding Series 2008 Bonds which may be called on any date on and after August 1, 2018, without premium (collectively the “Refunded Bonds”).
- L. EWEB has requested by resolution that the City Council adopt this Resolution in part to set the terms for and authorize the issuance of not to exceed \$35,000,000 water utility system revenue refunding bonds (the “Refunding Bonds”) for the purpose of refunding the Refunded Bonds, to fund necessary reserves and to pay costs of issuance of the Refunding Bonds (collectively, the “Refunding Project” which, together with the New Money Project is referred to as the “Project”). The New Money Bonds collectively with the Refunding Bonds are referred to as the “Bonds”.
- M. The Bonds will not be general obligations of the City, nor a charge upon its tax revenues, but will be payable solely from revenues of the Water Utility System which EWEB pledges to the payment of such Bonds pursuant to ORS Sections 287A.310 and 287A.325 and the resolution to be adopted by EWEB pursuant to this Resolution.
- N. EWEB has by resolution undertaken to cause to be prepared a plan showing that EWEB’s estimated Water Utility System revenues are sufficient to pay the estimated debt service on the Bonds authorized by this Resolution.
- O. The City and EWEB anticipate incurring expenditures (“Expenditures”) to finance the costs of the New Money Project and wish to declare their official intent to reimburse themselves for the Expenditures made on the New Money Project from the proceeds of the New Money Bonds. To the extent that the Expenditures and the use of proceeds of the New Money Bonds may qualify under federal tax law and regulations, the City, including EWEB, intends for the interest on such bonds to be excludable from gross income for federal income tax purposes under §103 of the Internal Revenue Code of 1986, as amended.
- P. EWEB has requested by resolution that the City Council adopt this Resolution in part to authorize the publication of the Notice of Revenue Bond Authorization relating to the New Money Bonds, such notice being in substantially the form attached to this Resolution as Exhibit “A” (the “Notice”). The Notice shall specify the last date on which

petitions may be submitted, and the City, acting by and through EWEB, shall cause the Notice to be published in *The Register-Guard*, a newspaper of general circulation within the boundaries of the City, in the same manner as are other public notices of the City.

NOW THEREFORE, based upon the above findings,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF EUGENE, a Municipal Corporation of the State of Oregon, as follows:

Section 1. Authorization of New Money Bonds and Publication of Notice; Purpose of Issue. Based on the above findings, subject to the prior publication of the Notice and the expiration of the 60-day period following the publication of the Notice without the receipt of a petition for an election questioning the issuance of the New Money Bonds, which facts and circumstances shall be determined conclusively and for all purposes by any individual designated by EWEB, the City Council hereby authorizes EWEB, on behalf of the City, to issue and sell the New Money Bonds designated as the “City of Eugene, Oregon Water Utility System Revenue Bonds,” or such other name approved by the individual designated by EWEB, in one or more series, in the aggregate principal amount of not to exceed \$18,000,000, for the purpose of financing the New Money Project, and to fund any required reserves and costs of issuance, and to publish the Notice as aforesaid. If petitions for an election, containing the valid signatures of not less than 5 percent of the City’s qualified electors, are received within the time indicated in the Notice, the question of issuing the New Money Bonds shall be placed on the ballot at the next legally available election date. If such petitions are received, no New Money Bonds may be sold until the question of whether to issue the New Money Bonds is approved by a majority of the City’s qualified electors who vote on that question. Any such petitions will be subject to ORS 287A.150 and Sections 2.960-2.1005 of the Eugene Code, 1971. Capitalized terms used but not defined herein shall have the meaning assigned in the Bond Resolution, unless the context clearly requires otherwise.

Section 2. Authorization of Refunding Bonds; Purpose of Issue. Based on the above findings, the City Council hereby authorizes EWEB, on behalf of the City, to issue and sell the Refunding Bonds designated as the “City of Eugene, Oregon Water Utility System Revenue Refunding Bonds,” or such other name approved by the individual designated by EWEB, in one or more series, in an amount not to exceed \$35,000,000 for the purpose of refunding all or a portion of the Series 2002 Bonds, the Series 2005 Bonds and the Series 2008 Bonds, and to fund any required reserves and costs of issuance of the Refunding Bonds.

Section 3. Conditions of Issuance and Sale.

The City Council hereby prescribes that:

(a) The Bonds of each series shall: (i) mature not later than thirty (30) years from the date of issuance of the series; (ii) be sold either through a public competitive sale and awarded to the bidder offering the most favorable terms to EWEB, on behalf of the City, or sold pursuant to negotiation at par or with a net original issue discount or premium that does not

exceed eighteen percent (18.0%) of the aggregate principal amount thereof; and (iii) have an effective interest rate of not to exceed seven percent (7.0%) per annum; and

(b) The proceeds of the Bonds shall be used only for the purposes above described.

Section 4. Delegation of Authority for Terms of Bonds; Provisions for Issuance. Pursuant to ORS 287A.300(4), EWEB, or any individual designated by EWEB, is hereby authorized and directed to determine, with respect to the Bonds, the form of bond and series designation, the manner of disbursement of proceeds of the Bonds, the maturity dates, principal amounts, redemption provisions, interest rates or the method for determining a variable or adjustable interest rate, whether a taxable or tax-exempt bond, obtain bond insurance or some other form of guaranty or security for the payment of the Bonds, denominations, form, authorized signatory, and other necessary or desirable documents, and other terms and conditions of the Bonds because the same cannot be determined by the City Council at this time. Prior to the issuance of any Bonds, EWEB shall: (i) prepare a plan showing that the estimated Water Utility System revenues are sufficient to pay the estimated debt service on the Bonds; (ii) adopt a bond resolution and provide a copy of such resolution to the City; and (iii) provide to the City a resolution determining that any and all acts, conditions and things required to exist, to happen and to be performed precedent to and in the issuance of the Bonds, exist, have happened and have been performed in due time, form and manner as required by the Constitution and statutes of the State of Oregon, the Charter of the City of Eugene and this Resolution.

Section 5. Declaring Intent to Reimburse. The City reasonably anticipates that the City and EWEB may incur preliminary, cost of issuance and other project expenditures that qualify as “Original Expenditures” under Treasury Regulation §1.150-2 prior to the date of issuance of the Bonds, and hereby declares its official intent to reimburse itself or EWEB with proceeds of the sale of the New Money Bonds to be issued in an amount not to exceed \$18,000,000 in aggregate principal amount.

Section 6. Statement on Form of Bond. All Bonds shall include a statement on their face to the effect:

(a) That they do not in any manner constitute a general obligation of EWEB or of the City, or create a charge upon the tax revenues of the City, or upon any other revenues or property of the City, or property of EWEB, but are charges upon and are payable solely from the revenues of the Water Utility System operated by EWEB, or any portion thereof, pledged to the payment thereof; and

(b) That the holders thereof may look for repayment only to the revenues of the Water Utility System which are pledged for the payment thereof, and may not directly or indirectly be paid or compensated through the property of the City, or EWEB, or by or through the taxing power of the City.

Section 7. Bonds Payable Solely from Revenues. The Bonds shall not be general obligations of the City, nor a charge upon its tax revenues, but shall be payable solely from the

revenues and funds which EWEB pledges to the payment thereof pursuant to ORS 287A.150, any applicable authorizations and in accordance with this Resolution.

Section 8. Bonds Reporting. EWEB shall submit to the City by May 1 of each year the following annual reports commencing after the first sale of any Bonds or other evidences of indebtedness hereunder and each year thereafter until the Bonds have been paid and retired:

(a) A report on the funds for each series of Bonds describing the funds established, the amounts in each fund, expenditure from each fund, the manner in which the monies in each fund have been invested, the income from such investments and the application of such income; and

(b) A report on Bond payments describing amounts paid and amounts scheduled to be paid and the source of such payments.

If the contents of the reports required by subsections (a) and (b) above are included in the yearly audit report of EWEB, then EWEB may comply with this Section 8 by transmitting a copy of its yearly audit report to the City.

Section 9. Appointment of Professionals. EWEB is authorized to appoint bond counsel, disclosure counsel, financial advisor, verification agent, a registrar and paying agent and any other professional assistance that EWEB determines is necessary or convenient to accomplish the issuance and sale of any or all of the Bonds.

Section 10. Advance Refunding Plan. EWEB is authorized to submit a preliminary and final advance refunding plan to the Oregon State Treasurer for approval pursuant to ORS 287A.370.

Section 11. Official Statement; Sale Documents. EWEB or any party designated by EWEB is authorized to prepare and distribute or direct the preparation and distribution of one or more preliminary official statement(s) or other disclosure document(s) for any of the Bonds or in connection with a preliminary official statement or other disclosure document for any other bonds, as determined to be necessary by EWEB, to obtain bond insurance or other credit enhancement or commitments therefor, if required, to obtain a rating on any or all of the Bonds from Moody's Investors Service, Inc., Standard & Poor's and/or Fitch Ratings, if required, and to issue, distribute and publish such notices of sale of the Bonds as may be necessary or required to accomplish the sale of the Bonds in accordance with this Resolution, and to determine any other terms, conditions or covenants regarding any or all of the Bonds or the Project, which are necessary or desirable to effect the sale of any or all of the Bonds.

Section 12. Effective Date of Resolution. This Resolution shall become effective immediately upon its adoption.

The foregoing Resolution adopted by the City Council this 12th day of October 2015.
