#### **ISSUE STATEMENT**

This item is a request to annex approximately 1.08 acres (47,045 square feet) of vacant land located at the northeast corner of East Enid Road and Woodruff Street. The property is located within the Urban Growth Boundary (UGB), and contiguous on three sides to other properties within the City limits

The property is zoned I-3/CAS/UL (Heavy Industrial with Commercial Airport Safety and Urbanizable Lands Overlays). The Metro Plan designates the subject property for heavy industrial use. There is no applicable refinement plan for this area. Plans for future development of the site are not included as part of this annexation application.

#### **BACKGROUND**

In December 2007, the City Council adopted Ordinance No. 20400 establishing the procedures for annexation requests and amending Chapter 9 of the Eugene Code (EC) to include these procedures. These annexation procedures provide for the council to adopt a resolution approving, modifying and approving, or denying an application for annexation; or provide for the council to hold a public hearing before consideration of the annexation request.

Approval of annexation requests are based on the criteria at EC 9.7825 which require that (1) the land proposed to be annexed is within the City's Urban Growth Boundary (UGB) and is contiguous to the City limits or separated from City limits only by a right-of-way or water body; (2) the proposed annexation is consistent with the applicable policies in the Metro Plan and in any applicable refinement plans and (3) the proposed annexation will result in a boundary in which the minimal level of key urban facilities and services can be provided in an orderly, efficient, and timely manner. Draft findings demonstrating that the annexation request is consistent with these approval criteria are included as Exhibit C to the draft resolution (Attachment B).

Public notice for this annexation request was provided in accordance with Eugene Code requirements, and no written testimony has been received as of this date. Referral comments were provided by affected agencies including City of Eugene Public Works and the Eugene Water & Electric Board (EWEB). These referral comments confirm that the property can be provided

with the minimum level of key urban services consistent with the approval criteria. Given the findings of compliance and lack of testimony received, a public hearing is not recommended in this instance.

Additional background information regarding this request, including relevant application materials, is included for reference as Attachment C. A full copy of all materials in the record is also available at the Permit and Information Center located at 99 West 10<sup>th</sup> Avenue.

### **RELATED CITY POLICIES**

The Metro Plan contains the policies that are related to this annexation request. There is no refinement plan applicable to the subject property. The policies applicable to this request are addressed in the Planning Director's findings and recommendation (Exhibit C to Attachment B). In short, the proposal appears to meet all of the City's relevant policies concerning this annexation request.

### **COUNCIL OPTIONS**

1. Adopt the draft resolution.
2. Adopt the draft resolution with specific modifications as determined by the City Council.
3. Deny the draft resolution.
4. Defer action until after the council holds a public hearing on the proposed annexation.

### **CITY MANAGER'S RECOMMENDATION**

The City Manager recommends that the City Council adopt the draft resolution by finding that the request complies with all applicable approval criteria, and that the annexation be approved.
