### **ISSUE STATEMENT**

This meeting is a public hearing with no action required. Oregon Local Budget Law requires the City to conduct a public hearing to hear testimony on the FY11 City of Eugene Annual Budget as recommended by the Budget Committee and on the proposed uses of State Revenue Sharing funds. Resolutions electing to receive State Revenue Sharing and certifying that the City of Eugene provides municipal services required for receipt of state-shared revenues are also required in order to continue receiving those state funds. Finally, ORS 294.434 requires the City Council to pass a resolution adopting the budget, making appropriations, determining, levying and categorizing the annual ad valorem property. Council is scheduled to take final action on the FY11 budget on June 28, 2010.

### **BACKGROUND**

#### **Council Action History**

The City Council has consistently met the requirement of Oregon Local Budget Law which requires that a jurisdiction adopt an annual budget by June 30 of each year. If a jurisdiction elects to receive State Revenue Sharing funds, it must hold a public hearing on the proposed uses of the funds and adopt resolutions or ordinances electing to receive the funds and certifying that the city provides qualifying municipal services.

#### **Financial and/or Resource Considerations**

Financial and/or resources considerations are detailed in the FY11 Proposed Budget document and Budget Committee motions. A summary of the Budget Committee actions is provided in Attachment A.

#### **State Revenue Sharing**

The FY11 estimated revenue from State Revenue Sharing is \$1,291,000. The funds will be used to support General Fund services.

### **Budget Committee Recommendation**

Budget Committee review consisted of six work sessions and one public hearing. Public comment was received at five work sessions. A public hearing on the budget proposal was conducted on May 17, 2010. The Budget Committee recommendation consists of the City Manager's Proposed Budget for FY11, with several amendments.

The Budget Committee recommendation, approved on May 19, 2010, is as follows:

Ms. Syrett moved that the Budget Committee recommend to the Eugene City Council a FY11 budget for the City of Eugene that consists of the City Manager's FY11 Proposed Budget, including the property tax levies and/or rates contained therein, amended to reflect appropriations for prior year encumbrances and prior year capital projects, and the amendments to the budget which have been approved by the Budget Committee. The motion passed 11-3.

A summary of the Budget Committee's recommended changes to the City Manager's Budget are shown below. All motions considered and the committee votes are shown in Attachment B. Attachment A reconciles the recommended budget to the proposed budget.

### **General Fund Recommendations**

#### **Central Services Department:**

- Restore \$100,000 to Animal Control budget for contract with Lane County Animal Services. Offset by delayed implementation of a CAHOOTS van to be purchased and put in to operation in FY11.

#### **Library, Recreation and Cultural Services Department:**

- Restore \$8,000 to Aquatics budget associated with four week delayed opening of Amazon Pool.

#### **Public Works Department:**

- Reduce Contingency by \$50,000 on going for the Hendricks Park forest management contract (\$30,000) and maintenance of Creekside Park once developed (\$20,000).

#### **Planning and Development Department:**

- No recommended changes to the FY11 proposed budget.

#### **Fire and Emergency Medical Services Department:**

- No recommended changes to FY11 proposed budget.

#### **Police Department:**

- No recommended changes to the FY11 proposed budget.

The Budget Committee also made several recommendations that do not affect the FY11 proposed budget. Those recommendations are included in Attachment B.

**Timing**

Under the state statute, a budget must be approved prior to July 1, 2010 and a jurisdiction must elect to receive State Revenue Sharing funds and file a copy of the resolution or ordinance with the State of Oregon by July 31, 2010.

**Other Background Information**

The FY11 Proposed Budget document, Budget Committee packets, information distributed at Budget Committee meetings, and Budget Committee motions are available on the City's website.

**RELATED CITY POLICIES****Council Goals**

The budget supports department work plans designed to further Council Goals and Priorities.

**Financial Management Goals and Policies**

The budget was prepared following guidelines established in the Financial Management Goals and Policies.

**COUNCIL OPTIONS**

According to ORS 294.435, the City Council is limited to increasing expenditures in a fund by no more than \$5,000 or 10 percent, whichever is greater, of the Budget Committee's approved total in each or any fund. If a larger expenditure increase is desired, republishing the budget summary in the local newspaper and conducting a second public hearing is required. The City Council may reduce revenues, move allocations within a fund and may decrease expenditures; however all actions must result in a balanced budget, where revenues equal expenditures, for each fund. Any increase to property taxes above the rate or amount approved by the budget committee requires republishing the budget summary and conducting a second public hearing.

If members of the council wish to amend the budget resolutions, the motion must contain the specific appropriation line(s) being altered in the resolution and each motion must be self-balancing, meaning that a resource and a requirement must exactly offset each other.

**CITY MANAGER'S RECOMMENDATION**

The City Manager proposes the following changes to the FY11 City of Eugene Budget approved by the Budget Committee due to the recent adoption of the Downtown Urban Renewal Plan amendment by the Eugene City Council:

- Receive an intergovernmental payment of \$740,000 from the Urban Renewal Agency (URA) to the City's Parking Fund to use for Broadway Parking Garage debt service;
- Transfer \$740,000 from the Parking Fund to the Police Department's General Fund operating budget for downtown public safety enhancements.

The City Manager recommends passage of the two state revenue sharing resolutions and the resolution adopting the Budget Committee's recommended budget for the City of Eugene including the changes

associated with the Urban Renewal Plan Amendment. The City published a legal advertisement reflecting the budget changes associated with the Urban Renewal Plan Amendment because they are in excess of the 10% limit outlined in ORS 294.435.

### **SUGGESTED MOTIONS**

No motions are needed at this public hearing. The motions to be considered by council at the June 28 meeting to adopt the budget are:

Move to approve the attached resolution electing to receive state revenue sharing funds pursuant to Section 221.770 of Oregon Revised Statutes.

Move to approve the attached resolution certifying that the City of Eugene provides the municipal services required by Oregon Revised Statutes Section 221.760.

Move to include the City Manager's recommended changes to the budget for the Downtown Urban Renewal Plan amendment.

Move to approve the attached resolution adopting the budget, making appropriations, determining, levying and categorizing the annual ad valorem property tax levy for the City of Eugene for the fiscal year beginning July 1, 2010 and ending June 30, 2011.

#	Source	Motion	FY11 Budget Changes			Vote	Opposed, Absent, Abstain Votes
			Fund	Revenue Change	Expenditure Change		
<b>PROCEDURAL MOTIONS</b>							
1	Polling	Move that the City of Eugene Budget Committee shall not use one time monies to fund on-going expenditures when making amendments to the FY11 Proposed Budget, and make a recommendation to the City Council that they do the same.				3-10-2, failed	<u>Abstained:</u> Miller and Shojai. <u>Opposed:</u> Barofsky, Syrett, Brown, Ortiz, Taylor, Zelenka, McDonald, Holser, Potwora, Clark.
<b>GENERAL FUND MOTIONS</b>							
1	Smith	Move to restore the proposed FY11 reduction of \$8,000 (net of revenue loss) associated with a 4-week delay in opening of the Amazon Pool.	General Fund	\$27,736	\$27,736	16-0, passed	None
			Facilities Maintenance Fund	\$18,736	\$18,736		
2	Zelenka	Move to fund \$50,000 (on-going) consisting of \$30,000 for the Hendricks Park forest management contract and restoration work, and \$20,000 for maintenance of Creekside Park once developed by reducing the Council Contingency by the same amount.	General Fund	\$0	\$50,000	12-3, passed	<u>Opposed:</u> Brown, Terry McDonald, Shojai. <u>Absent:</u> Pryor.
3	Miller	Move to restore \$100,000 to the proposed FY11 City of Eugene budget for the Lane County Animal Services (LCAS) contract. This would entail a \$100,000 cut to the LCAS contract vs. a \$200,000 cut. The \$100,000 will be offset by delaying the contract for the operation of the second CAHOOTS van by an estimated five months. This would reduce the CAHOOTS contract for the second van from \$250,000 to \$150,000. Recommend the following: any fee increases be in addition to the \$100,000 to LCAS, that the City of Eugene and City Council assess the animal services contract with Lane County and identify what the City wants from the contract; engage with stakeholders in the comprehensive review of animal services during the next 12 months, with the goal of identifying greater efficiencies and leveraging of community resources for the delivery of animal services, and that the City Manger and/or City Council ask the Municipal Court Judge to review the City's current licensing and enforcement fee schedules to determine if it would be appropriate to increase fees, and to implement recommended fee increases.	General Fund	\$0	\$0	13-1, passed	<u>Opposed:</u> Holser. <u>Absent:</u> Pryor, Ortiz.
