ORDINANCE NO. 20710

AN ORDINANCE CONCERNING CHARGES FOR STORMWATER AND PARKS SERVICE AND AMENDING SECTION 6.406 OF THE EUGENE CODE, 1971.

THE CITY OF EUGENE DOES ORDAIN AS FOLLOWS:

Section 1. The definition of "Stormwater service" in Section 6.406 of the Eugene Code, 1971, is amended to provide as follows:

6.406 Definitions. For purposes of sections 6.401 through 6.645, unless the context requires otherwise words and phrases shall have the meaning ascribed to them. In interpreting the meaning of words in a definition, other definitions of that word in this Code may be considered:

Stormwater service. The use of the city's stormwater system including, but not limited to, collection of stormwater discharged from property on which development exists and its deposit directly or indirectly into the city stormwater system. For purposes of sections 6.411 through 6.605 of this code, "stormwater service" shall include operation and maintenance of city-owned parks and open spaces.

Section 2. It is the policy of this Council that the revenue needed to pay for the direct and indirect expected costs to operate and maintain city-owned parks and open spaces should be considered during the stormwater service ratemaking process. (EC 6.411(2)(g)).

Section 3. The City Recorder, at the request of, or with the consent of the City Attorney, is authorized to administratively correct any reference errors contained herein, or in other provisions of the Eugene Code, 1971, to the provisions added, amended or repealed herein.
