

ADMINISTRATIVE ORDER NO. 58-26-10
of the
Executive Director of the Public Works Department

TEMPORARY CLOSURE OF PORTIONS OF SUZANNE ARLIE PARK

The Executive Director of the Public Works Department finds that:

A. Pursuant to the authority of Administrative Order No. 21-03-12 issued by the City Manager, the Executive Director of the Public Works Department is authorized to regulate City parks, protect park visitors and the park environment, and adopt rules regarding the use of parks.

B. Section 1.003 of the Parks and Open Space Rules, adopted by Administrative Order No. 58-25-01-F, authorizes the temporary closure of all or any portion of a park, open space, or facility upon finding that conditions that threaten the welfare or safety of nearby residents exist and the need to preserve their welfare and safety outweighs the public's right of access to the park, open space and/or facility.

C. Construction of new trails, along with other improvements and vegetation management, necessitates closing a portion of Suzanne Arlie Park (the Park) to protect the public from construction-related hazards and facilitate safe and efficient completion of work.

D. The need to protect and preserve the welfare and safety of residents living nearby Suzanne Arlie Park outweighs the public's right to access the above-mentioned portion of the Park.

NOW, THEREFORE, IT IS HEREBY ORDERED THAT:

1. Portions of Suzanne Arlie Park as shown on the map attached as Exhibit A to this Order shall be closed to entry by all persons other than police officers, authorized City employees and persons with explicit authorization from the Public Works Director or the Parks and Open Space Division Manager, including contractors performing work for the City. The identified portion of the Park will be closed to the public until 7:00 a.m. on August 1, 2026, or until City staff remove the signage referenced in Section 2, whichever occurs first.

2. In addition to any other measures that may be implemented to inform the public that entry into the closed portion of Suzanne Arlie Park is restricted, the City will post clearly visible signs at the entry points to the closed area advising the public that the area is closed, that unauthorized entry into the closed area is prohibited, and advising of the penalty for violation.

Dated and effective this 01 **day of May, 2026.**
